THIS MONTH'S COVER

This month's Bugle cover features "Red Ribbon Week" which is 23 through 31 October. The focus is on educating and increasing community awareness of the hazards of substance abuse among our youth. The success of the campaign will be attributed the collaborative efforts on the part of organizations and activities as well as the involvement of members of the community. Alcohol Drug Control Officer Stan Walker and 12 year old Kelli Corcoran watch as 8 year old Ellen Buckner ties a red ribbon around a tree at Camp Zama. Kelli is a cadette from Troop 27 and Ellen is a Brownie from Troop 22. The girl scouts will be helping to tie red ribbons around the Camp Zama area.

GOLF COURSE HAPPENING

On Saturday - Sunday, 18 - 19 October, the best golfers in the Kanto Plain will tee it up in the 1st Annual Zama Open. Handicaps will be used to establish the flights, but it will be an all gross score competition.

The Proper Way to Repair a Ball Mark

- 1 Use a prolonged ball mark repair tool (preferably), knife, key or tee.
- 2 Insert at the edges of the mark - not the middle of the depression.
- 3 Bring the edges together with a gentle rotating motion, but don't lift the grass. Try not to tear the grass.
- 4 Smooth the surface with a club or foot. You're done when it's a surface that you would putt over.

Please repair ball marks on the green. A ball mark that is repaired correctly heals in a few days. If it is not repaired, or is repaired incorrectly it will be visible for weeks.
